

# VITAPOLIS

## *Low-cost long-term accommodation*

*Vitapolis is a former sanatorium area in Jyväskylä district and nowadays it offers excellent long term accommodation for large groups.*

*Vitapolis main building is a six story stone building in the shore of lake Päijänne. It used to be a sanatorium and even a war hospital but now we are renting rooms for accommodation.*

*On the top of an inexpensive accommodation there is plenty to do during free time. The second largest lake in Finland and deep green forests offer many outdoor activities.*

### *Accommodation*

Floors 2-5 in the main building have 4600m<sup>2</sup> floor space for accommodation. There are 134 rooms which are 10-50 m<sup>2</sup>.

### *Shared areas*

Shared areas such as kitchen, bathroom and sauna are shared with other residents of the building.

Kitchen is fully equipped with modern electronic appliances as refrigerator, stove and microwave oven.

There is a bathroom (shower) and wc on every floor. Larger social facilities (change rooms, showers, sauna) are in the basement.

### *Accommodation services*

All rooms are furnished. Shared areas are cleaned weekly. Breakfast for larger groups is served in the lunch cafeteria Aurinkoinen. Sauna is heated once a week.

### *Other services*

Hairdresser/barber shop and pedicurist are located on the first floor.

Meeting room Päijänne on the top floor can be booked for meetings.

Crocery store is only 700 meters from the building.

### *Freetime activities*

Vitapolis on the shore of lake Päijänne offers various freetime activities.

Jogging/skiing tracks go all the way to Keljonkangas. Tennis court and frisbeegolf course are at everyone's use. There is also a beach and a berth for rowboats.

### *Environment*

Vitapolis is a tranquil neighborhood. In the north part there is a residential district and south side is an apartment house district. Vitapolis main building is the heart of the area accommodating several businesses and services.

### *Public transportation*

There are good connections from Vitapolis to Muurame and Jyväskylä.

Distance and travel time by car:

Säynätsalo	4 km	5 min
Muurame	8 km	9 min
Jyväskylä	12 km	15 min
